

NOBALINGE®

REF 320251

Product Description, Intended use, Application

Ready-to-use elastic bandage for the finger (size L). It is used for the secure and quick fixation of wound pads in cases of injuries. The novel conception of the bandage ensures a fast and safe application.

Composition

Polyamide

Contraindications

The product should not be used in the case of a known allergy against the material.

Incident reporting

According to MDR (EU) 2017/745, if serious incidents occur in relation to the device, they must be reported to the manufacturer and the competent authority of the Member State in which the user and/or patient is established.

Normative and Legal Requirements

Medical product according to the directive MDD 93/42/EEC and the regulation MDR (EU 2017/745).

The product does not contain dangerous toxic substances according to REACH.
